

# HILTON SA TORRE MALLORCA RESORT

## THE FACTS

Hilton Sa Torre Mallorca Resort is a hotel built in and around the noble and historical property of Sa Torre. Dated from the 14<sup>th</sup> century, the property has been refurbished with attention to detail, achieving the perfect balance between the traditional style of a Mallorcan “Finca” and the modern and comfortable style of an international hotel. Additional historical buildings are the windmill dating from the 15<sup>th</sup> century and the private Neogothic chapel La Gran Cristiana.

The resort, which includes a SPA, is the ideal place for a relaxing holiday, an active golf and cycling week or as a prime Convention venue.
